### 2012 Registration Fees

- ❖ Football: \$300
- ❖ Cheerleading/Pom: \$230
- ❖ Fees are reduced \$50 for each additional family member in the Colts
- ❖ Payment plan is available, see below for details
- ❖ Financial assistance is available for those that are eligible. Inquire for details.

### Late Registration

Registration is held in February and March. The registration fee will increase by \$75 per athlete if postmarked after the 2<sup>nd</sup> registration, held on March 4<sup>th</sup>. Exceptions will be granted for new families that move into the area after March 4<sup>th</sup> and athletes will automatically be placed on a wait list until availability can be determined.

### Refund Policy – No Cause

To facilitate a more streamlined policy, dates have been extended and all reasons (no-cause, medical and moved) have been absorbed into a single “no-cause” policy.

Refunds are based on the fully assessed registration fee, not a point of time in the payment plan process. (Example: a 75% refund for football is \$225 with \$75 retained by the Colts. If only \$100 has been paid through payment plan, \$25 will be refunded).

- A no-cause refund of 75% will be granted when **requested in writing to the President** by July 20<sup>th</sup>, 2012 for Cheer and August 3<sup>rd</sup>, 2012 for Football. This request must **be received in-hand** by the close of practice to avoid the athlete being drafted later that evening.
- There will be no registration refunds after this time.

### Payment Plan

- The payment plan option allows for multiple predefined payment dates and is available for athletes registered prior to March 31<sup>st</sup>.
- This option requires providing either a Credit/Debit card or three prewritten checks at registration.
- Payments will occur at registration, on May 31<sup>st</sup>, and on June 30<sup>th</sup>. All discounts will be applied to the final June payment.
  - Football: \$100 at registration, \$100 on May 31<sup>st</sup>, and \$100 (or residual) on June 30<sup>th</sup>
  - Cheer/Pom: \$75 at registration, \$75 on May 31<sup>st</sup>, and \$75 (or residual) on June 30<sup>th</sup>
